**January 20, 1998**

**TO WHOM IT MAY CONCERN**

**Aquathin Corp. USA of Pompano Florida, is well known to the U.S. Export Assistance Center. Expert management systems, excellent quality control programs, patented product innovations and the Aquathin's University training facilities make this company a reputable supplier and business partner to anyone interested in importing and distributing residential and commercial water treatment systems.**

**Aquathin is committed to exporting and successfully utilizes the assistance of the U.S. Commerce Department earning Aquathin the prestigious and coveted President's Excellence in Exporting Award.**

**Because of this commitment to quality product and service, Mr. Alfred Lipshultz, President and CEO, has been appointed to his second term of the Florida District Export Council, an advisory group to the U.S. Department of Commerce.**

**The U.S. Export Assistance Center proud to have participated in Aquathin's quest for global success.**

**Sincerely,**

A handwritten signature in cursive script that reads "Karl Koslowski".

**Karl Koslowski,  
Deputy Director**
